

When Care Requires Someone You Can Trust Completely

The Royce Concierge Circle provides discreet, executive-level care and advocacy for families navigating complex medical seasons within the privacy of their home.

All engagements are provided personally by founder Nakita G. Gates, ensuring continuity, steadiness, and trusted leadership during times that may feel uncertain.

“Serving a limited number of households to ensure continuity and presence.”

Executive-Level Care Presence for Private Homes

Serving a Limited Number of Households

Presence • Peace • Purpose

Why Families Work With Me

Families invite me into their homes during some of life's most delicate seasons, trusting my ability to bring steadiness, discretion, and experienced guidance.

- More than two decades in executive leadership placement
- Extensive hands-on caregiving experience
- Experienced in direct personal care support and advocacy
- Known for emotional intelligence, steadiness, and discretion
- Pursuing advanced study in chaplaincy and spiritual care

How I Serve

Providing calm guidance for families navigating uncertain medical seasons.

- Step in during fragile medical transitions
 - Provide continuity when care feels fragmented
- Support families navigating uncertainty
- Restore calm and order within the home

Direct Private Care & Advocacy Services

Providing calm leadership and continuity during complex medical seasons.

- Executive-level caregiver presence
- Personal care support during complex medical seasons
- Care coordination and advocacy
- Emotional steadiness for families
- Continuity during transitions
- Calm leadership within the household
- Support for families navigating dementia, Parkinson's, COPD, complex aging conditions, and hospice and end-of-life transitions
